Résumé : Au gré du programme, le coffret propose des standards (Mission impossible, la version originale de Mannix, inédite en CD, Le Kid de Cincinnati, Dirty Harry), des enregistrements rares (Once a thief), voire des albums de la période Verve, conçus comme des bandes originales imaginaires (Schiffrin-Sade, le sublime Rock requiem, dont c'est la première réédition). Le coffret est complété par un live exceptionnel, celui du concert donné par Lalo Schiffrin à Paris en 2007, lors du Festival Jules Verne. Ces six heures de musique vous permettront de mesurer à quel point cet homme discret et élégant a fait oeuvre de révolution.
